

SOFT BROIL

1. How do we do the line?
The pipes?
The lights?
The window?
Arsticle.
The bell?
2. Stop, isn't this my time?
What time?
Up front.
No time up front is set.
Oh.
What'd he want?
More time.
Enough is enough.

3. What are our new markers?
Center of the window.
The pillar.
The crack.
The hole.
What is the lengthwise marker?
The pillar.
The pillar?
The white space.

4. How many ways to graduate?
On the floor.
In the corner.
In a line.
On our backs.
On our backs?
On the floor.
Against the wall.
Against the wall, lets go.

5. Wait a minute.
The circle.
The globe.
The earth.
Ha, ha, the sun, the moon, ha, ha.
The life saver.
Life saver in the mouth?
Life saver in the sea.
Don't get around much anymore...
Ohhhhh.
