

# DAVID GORDON/PICK UP CO.

*T.V. REEL is my first attempt to make video, and to use it in performance; a bit like jumping head first into an unfamiliar body of water and trying to find up. I may be a little out of breath but I am swimming.*

*Not without help. I am indebted to Dennis Diamond as both teacher and collaborator. I am indebted to my company for their supportiveness and for the long hours they rehearsed and taped. And I am indebted to Valda Setterfield, Bruce Hoover, and David White.*
