

walks + digressions - ①

enter thru curtain seated,  
sliding on ass, legs front  
parallel. slide and roll over  
on right side 3X.

last time goes into a kind  
of push-up position and feet  
walk around in circle -

when head is downstage -  
legs shoot forward around  
arms ~~to form~~ and do backward  
somersault - then sitting inch  
hips forward along floor -  
~~second~~ ~~some~~ repeat somer-  
sault and "sitting-walk" 3X.

the third time fall over on  
right side and very slowly  
do valda's "dead beetle" step  
from manlyn monroe solo.  
when legs come together -  
roll over and start again.  
do 3X

2. last roll onto side ends and  
body slowly rolls onto back  
legs spread overhead - open  
trousers and pull down - wait -  
~~bring~~ pull up again and  
bring body slowly down - falling  
at last minute and coming  
up in mod. dance type position  
on floor

get up to knees facing up. L  
diag, and pull down trousers  
again - pull up. go down  
onto stomach facing upstage  
and lift ass - repeat trousers.  
back up onto knees - face  
stage right - extend left leg  
and repeat trousers. - get up

and close them up.

turn upstage center and do a  
plié twisting thing facing back-  
stage R - turn front do relevé  
arms overhead tightish - go to  
left and wrists drop - turn left  
and repeat plié thing - turn  
~~walk~~ and walk stage right  
holding crotch and whistling  
chorus of melancholy baby.  
stop and face sl. parallel - body  
slightly bent over hands hanging  
free - do tiny relevés - gathering  
~~spr~~ - stand up touch hands  
to cheeks and allow ~~spr~~  
to dribble out - face down -  
stage and repeat - stage  
left and repeat (look  
after ~~spr~~ when it falls)

abandon everything

3.

Get down on hands and  
knees and slide around  
aimlessly on knees using  
hands to change direction.  
Stand up facing front -  
parallel position - look thru  
audience if possible and very  
very slightly shift weight  
side to side + back to front.  
Turn to right and start to  
~~go~~ very slow walk sinking into  
knee leg dragging left foot  
and leg. - Change speed and  
straighten legs - walk - then run -  
change must not show - should  
take out 4-5 circles and  
off.
