

Began dancing with James Waring. Continued dancing with him and began studying composition with him and began studying dancing with Merce Cunningham. Went to Connecticut College Summer Dance School on scholarship and continued studying with Merce Cunningham. Began studying with Martha Graham and with Louis Horst and stopped immediately. Stopped dancing with James Waring. Rehearsed once with Merle Marsicano and began dancing with James Waring again and stopped. Began studying composition with Meece Cunningham and with Judith and Robert Dunn. Became involved in the formation of the Judson Church activity dancing alone and with Valda Setterfield and married her. Began dancing with Yvonne Rainer. Shared a concert with Yvonne Rainer and Jill Johnston. Shared a concert with Yvonne Rainer and Steve Paxton and stopped ~~xxxxxxx~~ making dance work for three of four years. Kept dancing with Yvonne Rainer and was in on the forming and naming of the Grand Union and began making work again. Made works in ~~xxxxxxx~~ years called "Sleepwalking", "The Matter", "Spilled Milk", "Chair", "One Act Play", "Times Four", "Personal Inventory" documented in The Drama Review. ~~xxxxxxx~~ Could name prestigious plades ~~xxxxxxx~~ performed but wont. Stopped performing with the Grand Union or rather the Grand Union Stopped performing. Has figured out the more work made the longer and more boring the biography. Cannot stop making work, must stop ~~wix~~ writing biographies.
